ABN 27 369 160 573  
Inc. No. A0007531T

## SUPPORT AFSA BY BECOMING A MEMBER...

Anyone with an interest in Autism Spectrum Disorders is eligible to join the Autism Family Support Association. AFSA does not charge a joining or membership fee. One membership form is required for each individual wishing to join – each interested family member should complete a separate application for membership. Entities such as organisations, businesses and support groups are not able to join AFSA as membership status is confined to individuals. Apart from showing your support for the association, membership entitles an individual to vote on AFSA matters at general meetings and to become a member of the AFSA Committee.

Please complete this membership form and forward to The Secretary by post or email.

1. By email to the Secretary - [membership@afsconnect.org.au](mailto:membership@afsconnect.org.au) or
2. By post to AFSA Membership, 33 Genista Road CRANBOURNE WEST VIC 3977
